

CITIZEN'S CHARTER

The Union Territory of Puducherry comprises of four regions viz; Puducherry, Karaikal, Mahe and Yanam and the same is under the direct administration of Government of India. The Public Works Department the premier technical organization in the Union Territory of Puducherry is involved in the infrastructure development activities in Planning, Designing, Construction and Maintenance of Buildings, Roads, Bridges, National Highways, Irrigation, Flood Control Water Supply and Public Health Engineering in all the four regions namely, Puducherry, Karaikal, Mahe and Yanam. The Department is also responsible for maintaining essential services like Water Supply, Sewerage, and Management of Water Resources etc. This Citizen's Charter is brought out to create public awareness on the activities of the Department which is solely functioning for the betterment of the people of Puducherry, its environs and to provide more responsive and effective services to the Public and to introduce transparency in its administration. This Citizens' Charter is published to create awareness among the public about their entitled services from Public Works Department, standard of services, access to general information, layers of decision making and time bound schedule of various services. However, this document is not legally challengeable.

A public Grievances Cell is functioning in the central Office, Public Works Department under the control of the Engineer Assistant to Chief Engineer. The public can approach the Cell on all working days to register their grievances in person or they can register their complaints over phone or through letter. A Complaint Box exists in the premises of the Office of the Chief Engineer to enable the public to drop their written complaints.

The provisions contained in the Charter and the corresponding services rendered by the Department will be reviewed half-yearly by the Chief Engineer.
