

Puducherry, dated, 20.02.2018

**C I R C U L A R**

Sub: PW - CE - EE(P) – Computerized Measurement Book and Bills –  
To be submitted by the Contractor – Reg.

\*\*\*\*\*

Clause-7 of General Conditions Contract specifically says that the Bill of Quantities have to be prepared by the Contractor and should be submitted to the Engineering-incharge on a pre-determined date for every month.

However, recording of measurement and preparation of bills are hitherto done by the departmental Engineers and there are some instances, Contractors disputing the measurements etc. Further in most of the arbitration cases, it was observed that the contractors are blaming the Engineering-incharge in this regard.

To put an end to this and also in advent of the CPWD Works manual 2014 being followed by the Department it has been decided to invoke Section 7.12 of the CPWD Manual 2014, which mandates computerized measurement Books and Bill, to be followed for all works, whose estimated cost put to tender is ₹ 15.00 lakhs and above.

The Executive Engineers are hereby directed to strictly adhere to this Section and issue necessary directions in this regard by adhering the Clause (Standard Method of Measurement, as prescribed in the CPWD specifications) and no deviation shall be made in this regard.

The Divisional Accountant must ensure that the Measurement books must be reviewed as per Section 7.13 of the CPWD Manual. Strict compliance in this regard must be followed.

  
V. SHANMUGASUNDARAM  
CHIEF ENGINEER 2 16  
16

To
